This mockup illustrates a user interface for managing tasks. At the top, it shows a header with the project name 'Goolmans S/Stn' and navigation buttons for 'detail', 'attachments', 'tasks' (which is highlighted in blue), and 'feedback'. Below this is a summary row with counts: 12 (ALL), 8 (TO DO), and 4 (DONE). The main area displays three sub-tasks, each with an asset code, a task description placeholder, and a set of three colored circles (yellow, red, blue) with numerical values. The first sub-task has a checkmark icon and a yellow circle with value 2. The second has a question mark icon and a blue circle with value 7. The third has a blank circle and a blue circle with value 7.

A screenshot of a mobile application interface titled "Goolmans S/Stn". The top navigation bar includes "detail", "attachments", "tasks" (which is highlighted in blue), and "feedback". Below the bar, there are three sections: "ALL" (12 items), "TO DO" (8 items), and "DONE" (4 items). Each section has a circular summary icon. The "DONE" section shows a blue circle with a white checkmark. Each item in the list has a similar structure: an icon, "ASSET CODE | TASK CODE", a task description, and three circular status indicators (yellow, red, blue) with counts (e.g., 3, 0, 7). A dropdown arrow icon is at the bottom right of each list item.
